Child-rearing I – V  
Photography: Michael Marzik

Louisa Ennis-Thomas

**domestic8** explores the notion of paid versus unpaid work.

Through sculptural assemblage, Louisa Ennis-Thomas investigates 8 domestic processes, in a series reflecting the largely repetitive nature of household labour and its inherent value to society.

*From teacups to broken hearts... (detail)*

c. 1907 contemporary artspace  
invites you to the official opening of
